

What's covered?

Component	Plan 1	Plan 2	Plan 3
Propshaft	✓	✓	✓
Wheel hubs and bearings	✓	✓	✓
Engine	✓	✓	Listed parts
Gearbox and transmission	✓	✓	Listed parts
Drive system	✓	✓	Listed parts
Timing chains	✓	✓	Listed parts
Turbocharger	✓	✓	Listed parts
Flywheel	✓	✓	Listed parts
Braking system	✓	Listed parts	Listed parts
Cooling system	✓	Listed parts	Listed parts
Electrical / electronic parts	✓	Listed parts	Listed parts
Clutch	✓	Listed parts	Listed parts
Casings	✓	Listed parts	Listed parts
Steering system	✓	Listed parts	x
Suspension	✓	Listed parts	x
Fuel system	✓	Listed parts	x
Ignition system	✓	Listed parts	x
Working materials	✓	✓	x
Diagnosis costs	✓	✓	x
Air conditioning	✓	x	x
Supercharger	✓	x	x
Oil seals	✓	x	x
In-cab entertainment / Sat Nav	✓	x	x
Remote key fobs / key cards	✓	x	x

The following features are also included:

Component	Plan 1	Plan 2	Plan 3
Vehicle recovery contribution	✓	✓	✓
European cover	✓	✓	✓
Duel fuel engine cover (optional)	✓	✓	✓

Part, fault and repair exclusions

- ✗ **Service and consumable items** - injectors, oil / fluid leaks and all filters (unless you have Plan 1), service items such as brake pads & discs, brake drums, tyres, bulbs, spark plugs, fuses, casings, brake & clutch friction material, burnt or worn out clutch and brake components, seized brake callipers, any seized components, incorrect brake adjustments, air con recharging, gaskets (excluding head gaskets), hoses & pipes including blockages, perishable rubber items, fuel tanks and clearing of fuel lines, connectors, air bags, auxiliary drive belts, wiper blades, hardware i.e. bolts and fixings.
- ✗ **Engine and turbo** - sprockets, burnt valves and valve seats, cracked blocks or cylinder heads, cylinder head skimming or refacing, burnt / carbonised valves or removal of carbon deposits, core plugs, timing chain and associated parts.
- ✗ **Transmission** - External linkages and controls (unless you have Plan 1).
- ✗ **Fuel system** - linkages and all other parts associated with the fuel system (unless you have Plan 1).
- ✗ **Steering** – Fluid leaks, steering hoses & pipes (unless you have Plan 1).
- ✗ **Cooling system** – blocked or corroded units.
- ✗ **Electrical or electronic items** - glow plugs and radio / CD (unless you have Plan 1), heating elements, connectors / terminals, wiring, batteries (unless you have Plan 1), software & software updates, reprogramming / adjustments, tracker systems, head up unit display, mirrors, recoding and light units.
- ✗ **Bodywork and trim** - cab and paintwork, bodywork, chassis, cab interior, seats, upholstery, sunroof, wheels, glass, locks and catches.
- ✗ **Negligence or driver abuse** - i.e. incorrect or insufficient oils or lubricants / fluids and overheating.
- ✗ **Ancillary items** - water ingress, corrosion or oxidation, faulty workmanship or parts, manufacturer recalls, accidental damage to radiator and A/C condenser, exhaust systems (including catalytic converters), exhaust manifolds, emissions, carbon build-up, repairs to rectify issues such as high oil consumption or poor fuel economy, oil or fluid contamination including staining or misting, sludge / silt or other waste, waste disposal, key blades, sealing materials and compounds.
